Remembrances *Sometimes it is appropriate for persons other than the priest to offer words of remembrance. Remembrances are a time that those close to you may offer special stories about you. Remembrances should be well thought out, written down, and 2-5 minutes in duration. It is preferred that remembrances be offered by someone who is good at public speaking. Remembrances take place in the service between the Gospel and the Sermon. Please list below the name(s) of those whom you wish to invite to speak.*

Music *The music will be offered by the Cathedral Music Ministry unless otherwise specified. Service music in the church must be live and from the repertoire of Cathedral and the Episcopal Church. Other musical selections may be considered for pastoral reasons but may not be used without the knowledge and consent of the Rector. Recorded music is permissible only before or after the service or, most appropriately, at a reception that follows.*
